## GRAND STAIRCASE

# An Iconic Entrance

Each Oceania Cruises journey begins when you enter the soaring atrium where you are met with a truly grand welcome - the iconic Grand Staircase that is a dynamic focal point of each of our ships. *Allura's* signature Grand Staircase is a curvaceous wonder of tactile details that invites exploration of your home at sea.

The design was inspired by organic elements and evokes a sense of movement, reflective of the allure of travel and the excitement of hidden lands. The ascending stairs embrace a glistening floor-to-ceiling pillar of crystal and light that sets the tone for the illuminating voyage ahead.

## MARTINIS

### A Social Mecca

The lounge known as Martinis is far more than a place to sip a signature cocktail – although its namesake libation alone is reason enough to spend time here. The chic elegance of *Allura's* Martinis imbues this classic gathering space with a brilliant evocation of art and culture. The entrancing glamour of *Allura's* Grand Lounge plays with shape and form to create visual elements that are striking even as they are understated. The colour palette is an ode to metals and minerals with shades of bronze, onyx and alabaster lending both balance and interest. The resulting space conjures exclusivity and the warm feel of a luxurious living room, inviting guests to relax and enjoy an aperitif before dinner or a nightcap as they relive the day's adventures with fellow explorers.

## HORIZONS

# The Draw of Infinite Views

The most distinctive feature of aptly named Horizons is the lounge's dramatic floor-to-ceiling windows, offering 180 degrees of stunning views that hint at the adventures to come. This space celebrates the essence of *Allura* by showcasing the magical call of that which lies beyond the horizon. To ensure that you can fully appreciate these tantalising panoramas with a relaxed familiarity, Horizons is appointed with comfortable residential furnishings in soothing tones that create a sense of home, even as the view assures you that you are far from it.

## A Window to the World

## AQUAMAR KITCHEN

# Wellness Meets Indulgence

At Aquamar Kitchen, the harmony of nourishing flavours, a bright and airy ambience evoking an endless Mediterranean summer and just the right amount of indulgence revitalise your body and your spirit. Mindfully prepared breakfast selections feature energising cold-pressed raw juices and super-food smoothies, satisfying avocado toasts, energy bowls, banana pancakes and savoury omelettes. For lunch, dozens of tempting and balanced dishes are offered, such as a hearty Lebanese bowl with beef kefta, falafel, muhammara, fattoush, aubergine caviar and pita bread; yellowfin tacos with white cabbage slaw; or even a crunchy chicken sandwich on a freshly baked whole grain bun. The chic seaside-inspired setting paired with a diverse collection of fresh, vibrant dishes is perfectly indulgent - without any of the guilt.

## Tempting International Fare

With an inviting dining room and shaded patio, Terrace Café takes on the ease of a treasured holiday home's sun-drenched conservatory and seaside terrace. At breakfast, revel in the aroma of freshly baked cinnamon rolls and made-to-order omelettes and waffles. During lunch, sample flavourful international dishes, juicy rotisserie meats and perfectly grilled seafood. In the evening, grilled lobster tail, barbecued pork chop and fresh hand-cut sushi are among the many choices on offer. And of course, locally inspired specialities are a hallmark of our Chef's Market Dinners.

## Poolside Alfresco Magic

On the deck of a cherished Malibu beach house, the magic begins with the grill. Likewise, Waves Grill is a shaded poolside dining spot serving made-to-order all-American favourites from lunch until late into the afternoon. Taste the richness of a Wagyu burger with juicy tomatoes and a savoury black truffle sauce. The seasoned fries are irresistible while the light crunch of fresh coleslaw is the perfect complement to the herb-marinated mahi mahi. For dessert, try a thick hand-dipped milkshake or one of the new, whimsical ice cream flavours by Humphry Slocombe, such as the mouthwatering Secret Breakfast pairing of bourbon and cornflake cookies.

### Trattoria Under the Stars

Each evening as if by culinary alchemy, Waves Grill is transformed into an authentic Neapolitan trattoria with the pizza oven at the epicentre. Imagine you are in Capri overlooking the twinkling lights of Naples, as the divine aroma of fresh pizza dough baking in a classic wood-fired forno wafts among the bougainvillea. Set the tone with a glass of dry Chianti, and then savour sweet and spicy dry-rubbed chicken wings, tender pork ribs or rosemary focaccia with lush burrata, plump tomatoes, peppery arugula and bold balsamic dressing. Pizza creations feature delectable toppings ranging from floral black olives and oaky truffles to fiery chorizo and tart lemon chicken. No matter your selection, your palate will heartily approve.

## Sublime Coffee with Sea Views

Combine the stylish flair of a Viennese coffee house with the warm smiles of your neighbourhood café, then add 270-degree shimmering sea views and you have Baristas, a relaxed haven for coffee and fresh pastry aficionados. Sip complimentary illy® delights, enjoying the energising kick of an espresso or the smooth richness of a cappuccino. Accompany the perfect cup with a buttery dark chocolate croissant or the sublime citrus hints of an orange biscotti. Whether you are drawn to a bold macchiato or a subtle iced latte, you will be captivated by the atmosphere of friendship and family that suffuses Baristas.

## Freshly Baked

The enticing aroma of freshly baked pastries will draw guests from Baristas to *Allura's* new Bakery just steps away. The perfect complement to your coffee might just be a French or Italian speciality fresh from the oven. Perhaps you'll sample a flaky, ricotta-filled sfogliatella, a confection that hails from the Italian region of Campania. If you prefer a French pâtisserie, you might select a decadent chocolate and almond croissant. Whatever your choice, you cannot go wrong when indulging in a delicacy created by our skilled pastry chefs.

## Cherished Afternoon Tea

Promptly at four o'clock, the parade of gleaming four-tiered pastry carts begins in Horizons. Savour freshly made, flavourful smoked salmon and egg salad finger sandwiches. Enjoy mirror-glazed petits fours, tender scones with rich clotted cream and, of course, a wide assortment of fine teas. Soak in the ambience of polished silver teapots reflecting the turquoise sea, sunlight streaming through walls of glass, the precision of white-gloved servers and the amusing enigma of a string quartet playing the Beatles. You'll quickly realise that this is how afternoon tea should be.

Ephesus

A wide-angle photograph of a sunset over the ocean, taken from the deck of a ship. The sun is a bright, glowing orb on the horizon, casting a shimmering path of light across the water. The sky is filled with soft, wispy clouds in shades of orange, yellow, and blue. In the bottom left corner, the ship's railing is visible, adding a sense of being on board.
